SERVICE SMILES

The Test

The tough Sergeant took one look at the twenty men seated in the room. They were his responsibility. To turn them into first class fighting men. He handed each a sheet of paper and a pencil.

"This is to test your intelligence," he began. "You will copy what I tell you. Ask no questions. Ready, begin: A boat of 35,000 tons was built in Scotland. The steel that went into that boat came from Japan. The motors inside were built in the United States. The rooms inside the boat were built by specialists from France. The material they used came from Sweden.

Every chair and table in that boat came from Mexico. The nails were made in Peru. The electricians who worked on that boat all came from West Germany. At this point it doesn't take much intelligence to see that from all over the world came contributions to make a boat. This is a form of cooperation of labor. Or international division of labor.

The five kitchens on that boat were all equipped with stoves made in Denmark. The special swimming pool was made in Holland. Installed by specialists from Greece. The curtains over all the windows in the cabins came from Korea. Now put your pencils down."

All the recruits did what they were told. Then the Sergeant said:

"I want somebody to tell me in just one second, how old was the captain of this ship."

"Forty seven years old," was the reply of the youngest there.

"How do you know?" asked a puzzled Sergeant who hadn't expected that anyone would reply. And they would see he was joking.

"Because that captain happens to be my father," was the answer.

Recognition

Lee Chao was considered one of the greatest scholars of his day. He wrote a commentary upon the works and sayings of Confucius. But strange as it may seem, his fame had nothing at all to do with his brilliant mind. He lived so goes the legend to the ripe old age of 245! But what was his secret? Some say it was because he was such a frugal man. Others claimed the God Ch'an had given him the gift of long life.

Once he was captured by bandits. They threatened to kill him unless he revealed his secret. So he brewed a liquid which they all drank. Net result was that they fell into a deep slumber. He then went to the authorities. Who captured them and gave him the reward.

When he was 150 years old, the Emperor Huan

sent for him. And asked what he would like for a birthday present.

"My son is now 100 years old. I have not seen him for 50 years. This is all I ask."

The Emperor decided to have some fun. He had 35 men who were 100 years old brought to him. Then he spoke to Lee Chao.

"They are all standing still. If you can pick out your son you will spend the rest of your years in my castle. Let me see if you are really as brilliant as they say you are."

So the frugal scholar looked at each of the 35 men in front of him. Then pointed to number 23. Who at once fell down and kissed the hand of his father.

"How did you recognize him?" asked an amazed ruler.

"He was still wearing the sandals I gave him 50 years ago. Like father like son. As frugal as I am, so is he."

The Best Story

Three American officers, all of the same rank, were sent on a special mission to a country south of the Border. Every room was taken in the hotel. But the manager had a solution.

"On the 26th floor which is the top of this hotel, there is a three room apartment. Take it for a week. That's all we have left."

So the three officers took this little apartment. Every thing was perfect. The mission was accomplished satisfactory. They were to leave on a Thursday morning. The manager told them the sad news.

"The elevators aren't running. You will have to either walk up. Or wait till we try to fix them."

"We walk," said the first officer. "But let us make it interesting. See who can tell the most effective story. One that all of us will feel deeply. We stop to hear the stories."

At the ninth floor, the first officer told a story about when he was in the desert. And lost his canteen.

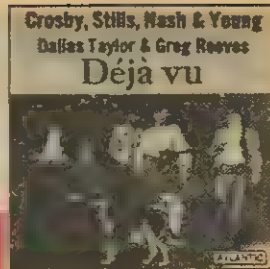

"Doesn't even make us thirsty," said the other two. "And we bet you drank some soda water."

When they reached the eighteenth floor, the second officer told his story. About the time he took a girl out to the night club and forgot his wallet.

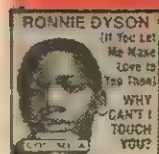

"So maybe you washed dishes. Maybe you had a credit card. And maybe she loaned you the money. Doesn't make us feel any different," said one of the other officers.

When they got to their destination, the third officer grinned.

"My goodness! How forgetful I am. I forgot the key. Bet you all feel my story." They did!

THE BEST BASEBALL GAME CANNOT BE PURCHASED IN A RETAIL STORE!

PITCHING • HITTING • FIELDING • RUNNING • MANAGING

Season after season, STRAT-O-MATIC BASEBALL has been sold to thousands of baseball fans exclusively through the mail. But why, you ask? Each year our baseball game is totally revised to reflect precisely the most up-to-date Major League statistics.

STRAT-O-MATIC offers such a current authentic reproduction of real life baseball and such a wide selection of games and individual team combinations, that it is impossible for a retail store to supply our fans.

In business since 1961, the quality and reliability of STRAT-O-MATIC BASEBALL speaks for itself in the fact that we have continued year after year to sell out all our editions.

In our 1971 edition, STRAT-O-MATIC presents you once again with the finest in baseball realism and entertainment. The hitting, pitching, fielding and base running abilities of 480 Major League players is unbelievably reproduced right from the ball park into your home. Leading average hitters such as Rico Carty and Alex Johnson will be among your own league leaders.

Bob Gibson the Cardinal's fine

pitcher, will be difficult to hit and will allow few walks and home runs. Wes Parker, Dodger first baseman, will field his position as brilliantly in your game as he does in real life. Without hesitation, we recommend STRAT-O-MATIC BASEBALL'S 1971 Edition to be without equal.

The above are just some of STRAT-O-MATIC's highlights. For the entire story, mail coupon for a colorful FREE BROCHURE containing full detailed information and FREE STRAT-O-MATIC SAMPLES. Send Today To: Strat-O-Matic Game Co., Inc., 82A S. Bayles Ave., Port Wash., N.Y. 11050.

Watch your savings account grow.

Here's a convenient, pleasant way for anyone over 17 to finish high school at home — with just a few hours a week of spare-time study. You don't have to go back to school — school comes to you.

This practical program is offered by Academy for Home Study. It was planned especially for working men and women who need a diploma to get ahead and can't take time out to go back to classroom study. It offers these advantages:

- **Full Credit for Previous Schooling**
- **Simplified, Easy-to-Read Lessons**
- **True-False Multiple-Choice Tests**
- **Experienced Instructors**

A diploma means a lot today — in prestige and in cash, and in greater job opportunities.
